

# AGENT EDUCATION ACKNOWLEDGEMENT FORM

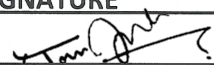

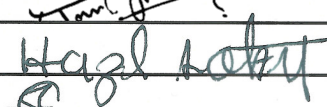

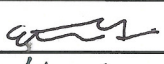

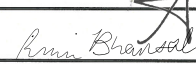

Regarding work performed in the lab of Manu Prakash with  
the agent(s) Plasmodium Falciparum under  
APB # 2751: (Please use separate forms for separate APB protocols.)

The below personnel have been approved by the Administrative Panel for Biosafety to work with the agents listed above. By signing this form, the personnel acknowledge receiving and reviewing information regarding agent(s) pathogenicity (including signs and symptoms of infection), mode of transmission, treatment, immunization, risks and precaution/containment practices. Should any research personnel be exposed to the agent(s) or exhibit any signs or symptoms of agent(s) inoculation, they will report this to their Principle Investigator, listed above, and to Occupational Health (x5-5308, available M-F, 8am-5pm; after working hours, they will report to Stanford Hospital Emergency Room).

The following personnel also acknowledge receiving and reviewing information regarding the availability of the vaccine against agent(s) NO vaccine available to general public yet. additionally, the personnel have signed, dated and returned the vaccine declaration form to the Occupational Health Center. Should any individual, at any time, wish to receive the vaccine, they may do so by contacting the Occupational Health Center (x5-5308) at Stanford Environmental Health and Safety.

Specific questions regarding the APB protocol or agent(s) should be directed to the Principle Investigator, listed above. General biosafety questions can be directed to Biosafety at Stanford Environmental Health and Safety ([esegal@stanford.edu](mailto:esegal@stanford.edu) or x5-1473).

This signed acknowledgement form is to be placed in the Biosafety binder and a copy is to be attached to APB protocol (vaccine forms go to the OHC only). Information is to be updated for new agents and/or new personnel. Please attach additional sheets if more space is needed for all lab personnel to sign.
